DANIEL HINZE

SOFTWARE DEVELOPER

Experience

Sprout Social

Web Engineer
March 2017 - August 2018
I worked on Sprout's reporting features, creating rich yet simple reports giving users metrics and data for their various social media accounts.

Uptake

Software Engineer
January 2016 - February 2017
I worked on a data mapping tool for importing client data into Uptake's platform in a format suitable for consumption.

Uptake

Solutions Engineer
July 2015 - January 2016
Served a variety of functions, highlights included refinement of product feature definitions, as well as data wrangling client data for analysis by Uptake's data science team.
