EXPERIENCE

Sprout Social

Web Engineer | March 2017 - August 2018

I worked on Sprout's reporting features, creating rich yet simple reports giving users metrics and data for their various social media accounts.

Uptake

Software Engineer | January 2016 - February 2017

I worked on a data mapping tool for importing client data into Uptake's platform in a format suitable for consumption.

Uptake

Solutions Engineer | July 2015 - January 2016

Served a variety of functions, highlights included refinement of product feature definitions, as well as data wrangling client data for analysis by Uptake's data science team.

EDUCATION

Engineering Physics (Computational Physics Concentration)

Bachelor of Science | September 2011 - May 2015

SKILLS

Also proficient in Adobe Photoshop and Illustrator, grew up bilingual (English and Klingon).

- HTML5
- CSS3
- JavaScript
- Node.js
- Angular 2
- TypeScript
- ES.Next
- Docker

About me

Hi, my name is John Doe. I"m just about the most boring type of person you could possibly imagine. I like collecting leaves from the tree in my back yard and documenting each time I eat a peanut that is non-uniform. I am not a robot. Please hire me.
